

Change of Policy Notice

Effective, February 2, 2009

the St. Mary Community Outreach Center will be implementing a new policy effecting the Open Closet. The Open Closet will remain available to all in need, and all items will continue to be given to those in need, however we find it necessary to charge an access fee of \$1. This policy does not pertain to the John Bolde Memorial Food Depot. This fee will be used to off set the operation costs of the Outreach Center. Without these necessary changes the Outreach Center's future is bleak. We hope you will try to understand our new policy.
