Dear Parents,

We have reached the end of the journey, and what an interesting ride it has been. I would like to thank everyone for making my first year a very good one. I look forward to the challenges next year will bring and I am excited about the direction our school is heading. I believe that we all have grown throughout this year and I am very proud to work with such talented teachers and office staff as we all strive to ensure the best for our school and community. I hope that all of you have a relaxing and enjoyable summer vacation and I look forward to seeing you all back ready to go in August. The 2010-2011 school calendar, as we know it right now, will be sent home today for your future planning.

It has been brought to my attention that recently some parents have come into the building and have gone directly to classrooms for various reasons. PLEASE remember that for many reason you MUST sign in at the office before going to a classroom or any other area of the building. Thank you for your support with this matter.

Finally, I would like to thank everyone who helped plan, drive, coordinate, cook, and helped in any capacity for our annual Bowling and Picnic Day. We could not have asked for better weather and everyone seemed to have a great time!! THANK YOU!!!

Have a GREAT summer. Be safe and may God bless all of you.

Mr. Lipinski
