In summary, Scrip is a popular fundraiser because families don't have to sell anything. St. Mary can create revenue by its members making regular household purchases that they would make anyway (each month). We are not asking you to purchase something that you do not already buy.

New SCRIP Order proceeds percentages, 25% proceeds to parish, 75% proceeds to family tuition assistance.

Kroger and Meijer proceeds are now 25% / 75%

Note: One order form per student (family of student) however multiple payments allowed.

Your support would be greatly appreciated. Thank You!
